

**WEST YORKSHIRE LOCAL TRANSPORT PLAN  
ACCESSIBILITY PARTNERSHIP – HEALTH SUB GROUP  
TERMS OF REFERENCE**

**Objectives**

1. To champion the principles of Accessibility Planning.
2. To identify accessibility priorities, considering issues raised through liaison and consultation, to feed into the development of future Accessibility Action Plans
3. To identify barriers to accessing health care services and consider how the partnership can work together to address these
4. To share information and best practice on improving access to health services, including travel planning
5. To provide networking opportunities for people involved in health and travel and transport sectors
