

## **West Yorkshire Accessibility Partnership Terms of Reference**

- Champion the principle of accessibility planning, informing the design and delivery of a range of services in West Yorkshire
- Ensure synergy between the organisations represented on the Partnership in the design and delivery of services
- Scrutinise and ensure the implementation of the West Yorkshire Accessibility Strategy and Accessibility Action Plan
- Identify accessibility issues and priorities to feed into the development of future Accessibility Action Plans
- Provide input and steer to the West Yorkshire Local Transport Plan members steering group in the setting of, and delivery against, Accessibility targets
- Develop practical examples of accessibility planning and share best practice amongst partners and externally
