Privacy Statement

Use of cookies

We use cookies on this website

A cookie is a small piece of text stored on your computer, phone or whatever you use to surf the Internet. Cookies have many uses, but fundamentally they are used to store information about you on your computer.

We encourage you to accept the cookies our website uses as they help us to improve the user experience for you and many others.

The cookies we use are:

SiteAnalyze web analytics cookie: this cookie is used to help record your use of this website. It is used to collect statistics about site usage such as when you last visited the site. This information is then used to improve the user experience on our website.

This SiteAnalyze cookie contains a randomly generated ID used to recognise your browser when you read a page. The cookie contains no personal information and is used only for web analytics.

This SiteAnalyze cookie is called 'nmstat' in the list of cookies and is set to expire 1,000 days after your last visit.

To delete or reject cookies

We recommend you allow the cookies we set by this website as they help us provide a better service. If you do not want to receive cookies from this website, select cookie settings under the privacy settings in your browser options, then add our domain to the list of websites you do not want to accept cookies from.

Under settings you can also delete individual cookies or any cookies that your browser has stored.

If you set your browser to refuse cookies, please be aware that there may be functionality on various websites that does not work.
