## Progress Reports

### West Yorkshire Local Transport Plan 2006-2011 (LTP2) - Progress Reports

#### LTP2 2008 Mid-Term Progress Report

The 2008 Mid-Term Progress Report looks at the progress made to date in delivering the West Yorkshire Local Transport Plan (WYLTP2).

The Progress Report was submitted to the Department for Transport (DfT) in December 2008. It contains information on progress made towards all 17 Mandatory and 10 Local targets for 2006-07 and 2007-08.

There are also summaries of all consultations held with key stakeholders and partners. These were held to assert their views on the impact of the investments made in improving transport and to identify issues that we need to focus on during the second half of LTP2 period.

To view the LTP2 Mid-Term Progress Report and Appendices in full follow the links below:

#### Government Office Response on the 2008 WYLTP Progress Report

Following the final draft of the 2008 WYLTP Progress Report being submitted a formal response was received from the Government Office for Yorkshire and the Humber (GOYH) praising the Partnership's success and highlighting the areas where progress is still required.

To read the response in full follow the link below:
